

# THE HUSB CAREER CLOSET

## PURPOSE

Each fall the School of Business welcomes a new class of freshmen that are required to attend class, corporate events, career fairs, and interviews in professional business attire.

For many of the students, the ability to purchase the items required comes easy but for others the extra funds needed to purchase these items can be a financial burden. As a result, many of the students start their first year without the necessary tools for success.

The Center for Career Excellence created the **HUSB Career Closet** to ensure all of our students are prepared to successfully begin their pursuit of a career in business!
